Final-Project: 🤠 Bang! 🔫

Author: *李邦安 趙安庭 洪莘淳*

Introduction

BANG! is a board game that requires 4-7 players.
In this project, you play with virtual players.

Players are separated into 3 factions: Sheriff (and Deputies), Outlaws, and Renegade.

- Each faction's goal
  - 👮 Sheriff (and Deputies): defeat the Outlaws and Renegade
  - 💂 Outlaws: kill the Sheriff
  - 🕴 Renegade: become the last player standing

How to Play

1. download our project
2. run `make`
3. run `./project [OPTION]`
   (option `-s second`)
   If *second* is 1, 2, or 3, it means pause seconds between each step.
   If *second* is 0, you have to press `enter` to continue.
4. start playing and have fun!
